WWW.SHOREHAVENBHI.COM

1. Title of Position and Supervisor
Title: Primary In-Home (Lead) Therapist
Supervisor: Clinic Manager
Clinical Case Supervisor: Licensure supervisor for the job holder's profession or peer supervision team
2. Assigned organizational unit (e.g., department)
In-Home Services Program
3. Job summary or overview, including job classification
 - ★ This is an exempt position which is commissioned, full or part time.
 - ★ Therapist may spend part of the work week in the role of Senior Psychotherapist (Outpatient Psychotherapist)
 - ★ The Primary In-Home Therapist in a full time role provides 28-40 hours per week of psychotherapy for seriously emotionally disturbed [SED] children and adolescents and their families in the home, *including billable travel time*.
 - ★ The Therapist uses up-to-date skills in individual and family therapy.
 - ★ The Therapist will educate families and modify family systems.
 - ★ The therapist will assess the behavioral and developmental needs of SED children or children in Protective Services, as well as their psychiatric problems and needs, and will create and execute an individualized treatment plan for the child, taking into account change in the child's ecosystem.
 - ★ The Therapist will supervise a Second In-Home Therapist on each SED case. The Therapist will work closely with many family resources with each family in order to develop
 - 1) a more functional ecosystem in the family and surrounding the family,
 - 2) more functional intrapsychic, attachment, affective, and cognitive systems within the child,
 - 3) a positive awareness for SBH with POs, MDs, Special Education teachers, School Social Workers and Counselors, Assistant Principals, Care Managers, and others in the ecosystem in order facilitate referrals to SBH.
4. Position qualifications (experience, skills, education, license)
 - ✓ Masters degree or Doctorate in a mental health field
 - ✓ 3000+ hours of supervised work experience with letter from state of Wisconsin to that effect (Approved Provider status) or Licensure
 - ✓ WI License or Certification as a LPC, LCSW, CAPSW, LMFT, ATR, or LP (must accomplish within 180 days of employment if eligible)
 - ✓ NPI number and Medicaid provider number (if not already in hand, must be eligible)
 - ✓ Experience with assessment, treatment planning, and services to SED children
 - ✓ Skills in family therapy - MFT training is optional, but helpful
 - ✓ Must have car, license, \$100000/300000 insurance and cell phone
 - ✓ Must have malpractice insurance through Shorehaven's policy
 - ✓ AODA training is optional, but helpful
5. Major duties and responsibilities

- ◆ Provide in-home therapy 28-40 hours per week on the average, although part-time employees are welcome. Part time is a minimum half-time commitment with average of 14 billable hours per week
- ◆ Maintain a high standard of care consistent with SBH standards, certification/licensing board standards, and standards of the appropriate professional organization (AAMFT, ACA, APA, NAADAC, NASW). Even if you are not a member of a professional organization, you are bound by its standards and ethics code as the standards for your profession.
- ◆ Apply knowledge of psychosocial practice
- ◆ Perform accurate, thorough assessments
- ◆ Effective behavioral treatment planning
- ◆ Apply up-to-date treatment skills, follow through
- ◆ Obtain Health Check forms, prescriptions
- ◆ Timely completion of prior authorization requests and treatment plans
- ◆ Work with treatment team and consultants
- ◆ Supervise second therapists adequately
- ◆ Complete files in timely, legible, thorough fashion
- ◆ Work closely with care coordinators, case workers
- ◆ Connect with physicians, PO's, attorneys, etc.
- ◆ Connect with educational institutions connected with clients
- ◆ Billing is complete and timely
- ◆ Willing to work a 'second shift' (1:00-8:00) and possibly Saturday schedule
- ◆ Develop skills in multi-systems and Wraparound philosophy
- ◆ Develop skills in trauma-informed care and attachment theory
- ◆ Excellent communications with care managers, team members, and others involved with cases
- ◆ Participate in clinical staffings and supervision
- ◆ Philosophy of continuous improvement

6. Accountability and Benchmarks - Lead Therapist
